

§ 39.83

State or Tribal Organization to determine which of the following will be required prior to submission of an application. As determined by VA, these may include:

(1) A boundary and site survey comprising a survey and legal description of the existing State or Tribal cemetery site;

(2) Project drawings indicating the cemetery section(s) to be impacted by the Operation and Maintenance Project, gravesite section layout with permanent section monument markers and lettering system, and the total number of gravesites to be impacted;

(3) Project specifications (to be used for bid purposes), which shall include the invitation for bid, cover or title sheet, index, general requirements, form of bid bond, form of agreement, performance and payment bond forms, and detailed descriptions of materials and workmanship for the work to be performed to meet VA's national shrine standards;

(4) A detailed estimate of the total cost of the work to be performed under the contract; or

(5) A site Environmental Assessment meeting the provisions of §39.34(b) to determine if an Environmental Impact Statement is necessary for compliance with section 102(2)(C) of the National Environmental Policy Act of 1969, as amended (42 U.S.C. 4332), as a result of the work to be performed on the headstones and markers, gravesites, or turf conditions.

(c) If VA determines that the project's plans and specifications comply with the terms and conditions prescribed by VA, VA will send the State or Tribal Organization a written letter of approval indicating that the project's plans and specifications comply with the terms and conditions as prescribed by VA. This does not constitute approval of the contract documents. It is the responsibility of the State or Tribal Organization to ascertain that all State and Federal requirements have been met and that the

§ 39.83 Conferences.

(a) *Planning conference.* The VCGS may require planning conferences for Operation and Maintenance Projects, primarily to ensure that the State or Tribal Organization becomes oriented to VA's national shrine standards, procedures, requirements, and any technical comments pertaining to the project. These conferences will normally occur over the telephone.

(b) *Additional conferences.* At any time, VA may recommend an additional telephone conference to provide an opportunity for the State or Tribal Organization to discuss with VA officials the requirements for an Operation and Maintenance Project grant.

§ 39.84 Application requirements.

For an Operation and Maintenance Project to be considered for grant funding under this subpart, the State or Tribal Organization must submit an application (as opposed to a preapplication) consisting of the following:

(a) Standard Form 424 (Application for Federal Assistance) with the box labeled "application" marked;

(b) Standard Form 424C (Budget Information), which documents the amount of funds requested based on the construction costs as estimated by the successful construction bid;

(c) A copy of itemized bid tabulations; and

(d) Standard Form 424D (Assurances—Construction Program).

(e) VA Form 40–0895–11 (Memorandum of Agreement for a Grant to Construct or Modify a State or Tribal Government Veterans Cemetery) to identify the parties (VA and applicant), identify the scope of the project, and indicate
